FOR LEASE

Prime Downtown Office Space

Nootka Court

The Location:

Nootka Court is located on Victoria's popular Douglas Street, with building access off three streets, 633 Courtney Street, 808 Douglas Street and 634 Humboldt Street. The building enjoys substantial frontage on all streets and provides ease of access to the financial core and all downtown services, including shopping and many popular restaurants and café's.

Nootka Court is an integral part of the City's downtown business district, with most of the top office buildings in Victoria located within a three block radius of the subject. The block itself has long been one of the most prominent in town and until just recently was anchored by the popular Vic West Theatre with the Bug Zoo and Nootka Traders still remaining. Located across the street is the brand new prestigious Falls residential development, which hosts the location of HSBC's downtown banking branch and Brown's Social House, a popular restaurant/bar.

A myriad of parking options abound with public and private parkade's and surface parking nearby.

The Building:

This landmark office building has three notable addresses due to the fact that the building spans the greater of an entire block in Downtown Victoria. The most notable corner for the building is off of the corner of Douglas and Humboldt Streets, across from the Victoria Conference Centre and The Empress Building. The building has three official addresses: 808 Douglas Street (access off Douglas beside The Noodle Box), 633 Courtney Street (access off Courtney beside The Bug Zoo) and 634 Humboldt Street (access off Humboldt across from Miniature World). All entrances are handicap accessible via a common elevator and/or handicap lift. The building has recently undergone a substantial common area upgrade program, which now features an indoor secure bike storage room. The owner recognized the need to adapt the common areas to suit the new "green" tenant trends in the Downtown Victoria office marketplace. Added building features include an interior common balcony for tenant's to enjoy an outdoor area as well as fully air-conditioned premises.

This building has enjoyed close to 100% occupancy for over twenty years. The building served for years as the office premises for several government ministry's including the Ministry of Agriculture & Lands, Ministry of Housing & Social Development, Ministry of Welfare, Ministry of Labour & Public Affairs and many more. This is the first time in many years that an office tenant has the opportunity to lease space within Nootka Court. There are various sized office spaces ranging from small to large spaces. Please call the listing agents for specific available suite sizes.
